## Dante Dettamanti

- Head Coach (ret) Stanford University
- Record setting 600 + NCAA wins
- Former Asst USA National Team Coach
- 10 x NCAA Coach of the Year
- 8 NCAA Titles
- Record .800 winning percentage at Stanford

# “Easily The Best Water Polo Clinic in the World” Water Polo Planet

## Dante Dettamanti Clinic

Dante Dettamanti is one of the top performing coaches in the world, with 8 NCAA Titles, a .800 winning record at Stanford and vast international experience with some of the worlds top coaches including former Yugoslavian star Ratko Rudic.

Dante holds an MS in exercise science from UCLA. He is one of the few top level water polo coaches who combines expert knowledge of the game with graduate studies in conditioning and nutrition that have consistently produced the top players in the world

The Dettamanti Clinic provides coaches with both a theoretical understanding of the game as well as on deck work with athletes. This unique combination allows coaches to understand how to get the most from athletes of all ages and how to produce a winning team.

- Coaching tips and strategies
- Essential offensive skills
- Essential defensive skills
- Training and conditioning, practice organization
- Front court offense and defense
- 6 on 5 offense and defense

## Who Should Attend

**High School Coaches:** Bring a winning NCAA game to your athletes and increase NCAA recruitment in your program

**Collegiate Club Captains and Coaches:** Bring organization and strategies of producing a high level game to your collegiate club

**Collegiate Club and High School players:** 3 days of coaching, strategies and advice from a top International coach. Maximize your teams success!

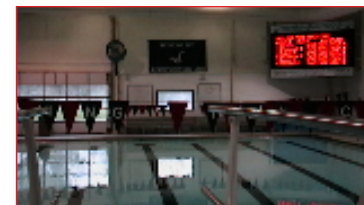

**Referees:** Understand the high level game with concurrent referee instruction from Loren Bertocci. Good referees are instrumental in producing good players and this instruction will bring you to the next level.
